### Profile

WITH A DISTINGUISHED CAREER SPANNING OVER 15 YEARS IN MEDICAL DIAGNOSTICS AND CLINICAL LABORATORY SCIENCES, BORHAN UDDIN SHEIK HAS ESTABLISHED HIMSELF AS ONE OF THE FOREMOST AND MOST TRUSTED HEALTHCARE PROFESSIONALS IN BANGLADESH. HE CURRENTLY HOLDS THE POSITION OF MANAGING DIRECTOR ACROSS THREE PREMIER HEALTHCARE ENTERPRISES: MEDICHECK MEDICAL SERVICES, MEDIGO, AND MEDIFY HEALTH SERVICES. THESE ORGANIZATIONS ARE DEDICATED TO ADVANCING HEALTHCARE DIAGNOSTICS, ENHANCING PATIENT SERVICES, AND FACILITATING INTERNATIONAL MEDICAL COORDINATION.

### Business Summary

PRESENT

#### Medicheck Medical Services

##### Director

Borhan Uddin is the visionary founder and director of Medicheck, a modern diagnostic and pathology center known for its advanced testing equipment, strict quality assurance, and affordable patient services. Under his leadership, Medicheck has expanded into multiple branches and collaborations.

PRESENT

#### Medigo Health Care

##### Founder & Managing Director

Medigo delivers a comprehensive suite of integrated healthcare solutions, encompassing online medical consultations, in-home diagnostic services, corporate wellness programs, and specialized patient logistics support. As a co-founder of the organization, He plays a pivotal leadership role, overseeing both the strategic direction and the operational framework. He is instrumental in developing the corporate vision and fostering continuous innovation across all service lines. His executive guidance ensures the advancement and refinement of Medigo's end-to-end healthcare service delivery model.

PRESENT

#### Medify Health Services

##### Founder & Managing director

Medify operates as a certified GAMCA-accredited medical center, specializing in pre-departure health screenings for overseas employment candidates. The organization rigorously facilitates mandatory medical testing to ensure compliance with international workforce standards. As a senior executive and key decision-maker, Borhan has strategically positioned Medify as a trusted leader in outbound medical screening services. His leadership has cemented the center's reputation for reliability and adherence to strict global health protocols.
